

PHOTOGRAPHY

Take a picture of yourselves doing your favourite activity. Examine the picture together and tell each other what you see in it. Things to observe:

- ✓ Who are in the picture?
- ✓ What are they doing?
- ✓ Where are they?
- ✓ What can you see in the environment?
- ✓ Is someone missing from the picture?
- ✓ What do the persons' faces look like?
- ✓ What could they be thinking?
- ✓ What could they be feeling?
- ✓ What would they like to do next?
